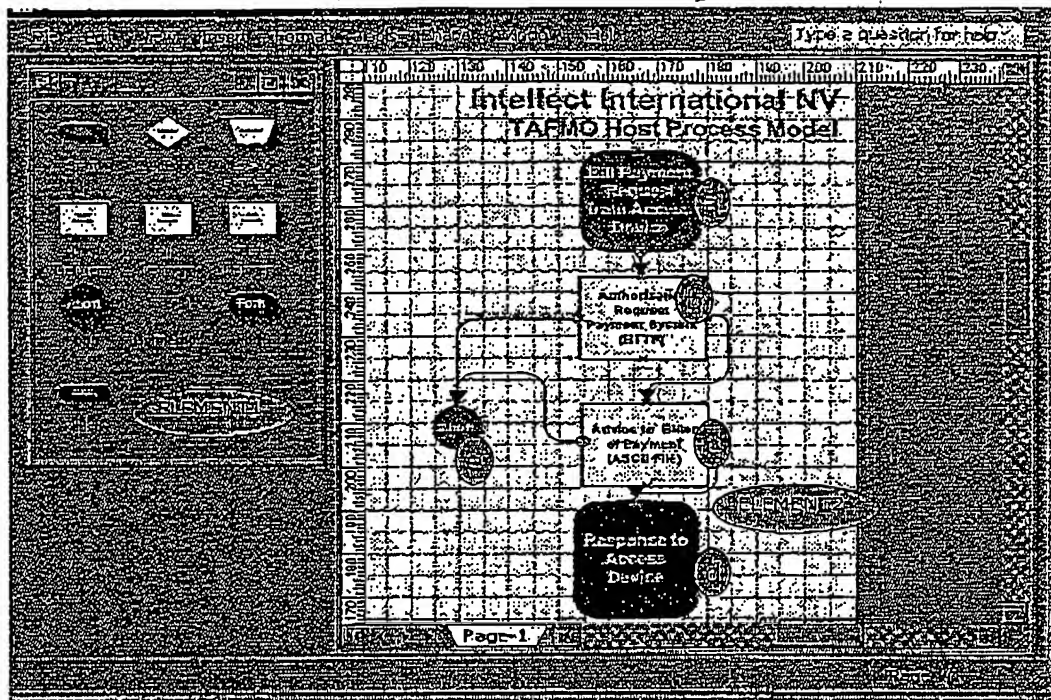

FIG 4

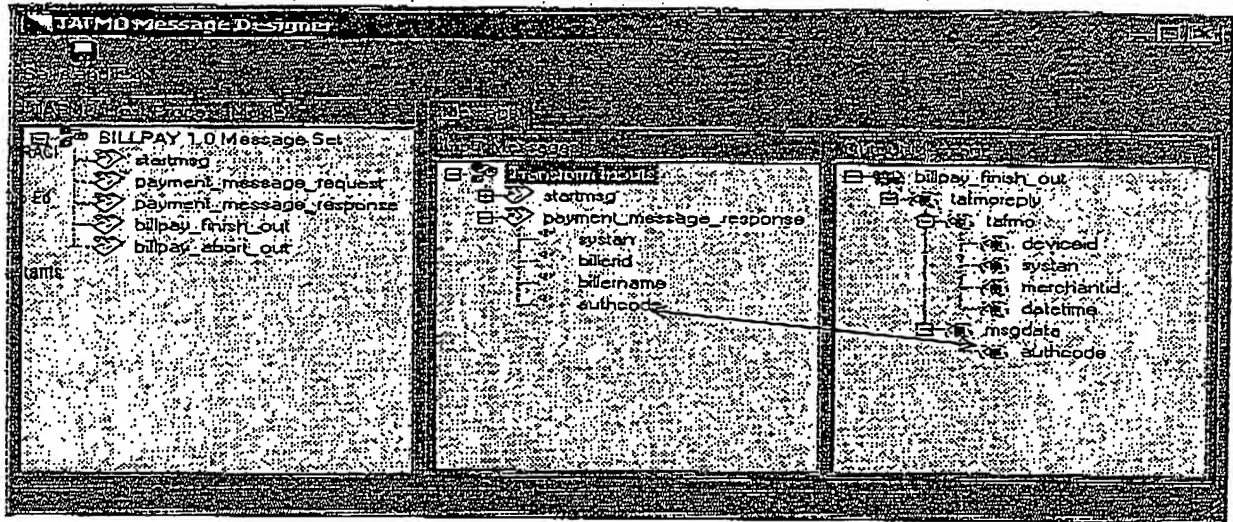

The screenshot shows a "Custom Properties" dialog box with several input fields. The fields are labeled as follows:

- Message Address: <http://philadel17000>
- Payment Message Name: [payment_message_request](#)
- Payment Message Name: [payment_message_response](#)
- Payment: [600000](#)
- Payment System: [payment_system](#)
- Payment: [payment_system](#)

At the bottom of the dialog, there are checkboxes for "Show the properties of the current object" and "Show the properties of the selected object".

Message Destinations entered in the Graphical Process Designer
